Tuesday 27th June 2023

Dear Parents and Guardians,

I am writing to you on behalf of the whole Governing Body following our recent Ofsted inspection and the publication of the report. We continue to be rated a **GOOD** school. Mrs Kendall has already shared with you the comments from a number of our school improvement partners and some highlights from the report. Since our last inspection OFSTED have revised and tightened the inspection framework and also increased the level of scrutiny during inspection. As a result, many schools find themselves downgraded at inspection so our school's achievement is no mean feat!

It is testament to the continuous hard work and dedication of all of our wonderful staff and children that we were able to retain our good judgement and also to receive verbal feedback that we had moved much closer toward an outstanding judgement. The Governing Body sends our thanks and congratulations to all staff and children. We would also like to put on record our thanks to our supportive school community of parents and others without whom this result would not have been achieved so thank you to all of you too.

With warm regards,

Rob Walden

for The Governing Body of Cheveley CE Primary School
